

COLOR CLASS ASSIGNMENT: White Light & Shade

In keeping with our goal of encouraging an ever decreasing dependency on the teacher, each student will write his own criteria for this lesson. Only by knowing the intentions of the author, spelled out in the criteria, can we measure the level of accomplishment. Sorry, but the DUE DATE has been set by the establishment!

2 Tasks for students:

1. Write, in your own words and at the top, the assignment and whatever additional references you feel are needed.
2. Write out the criteria for the assignment. There is no specific number required.
